I, Sambasivarao Koritala, a citizen of the United States of America, being duly sworn,
depose and say as follows:

I am an inventor that should properly be named on Application Serial No. 10/611,775. The error of failing to include my name as an inventor occurred without deceptive intent.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true. I further declare that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful and false statements may jeopardize the validity of the subject patent application or any patent issued thereon.

I further declare that I have received no special compensation or consideration for making this affidavit, nor have I been in any way told, either directly or by implication or inference, by anyone that my employment by International Flora Technologies, Inc., or my professional advancement or other matters of personal or professional interest to me depend in any way on whether or not I make this affidavit or the content thereof. I further declare that I make this affidavit of my own free will and choice without any duress or influence of any kind, believing fully in the truth of the statements made by myself herein.

A handwritten signature in black ink, reading "Sambasivarao Koritala", with a stylized flourish at the end.

Sambasivarao Koritala

I, CAROL HYNES, a Notary Public in and for the County and State aforesaid,
do hereby certify that Sambasivarao Koritala, whose name is subscribed to the foregoing
instrument, appeared before me this day in person and acknowledge that he signed,
sealed and delivered the said instrument as his free and voluntary act and deed for the
uses and purposes therein set forth.

Given under my hand and Notary Seal this 23rd day of April 2008.

My commission expires on Nov 29, 2011
